General Information

ORGANISED SHORE EXCURSIONS

Booking Direct with Silversea gives you peace of mind. Our local tour operators are fully insured and have been comprehensively vetted. In the unlikely event of issues with a Silversea tour, we assume responsibility and the ship will wait for our delayed shore excursion. These are important factors when comparing value. Looking for a special program with your travelling companions? In a nod to our Italian heritage, let us reserve for you our Silver Shore "Privato" service - a private vehicle with driver and/or guide. Create your own itinerary or leave it to us. This service is available in most ports which you can reserve on MySilversea (my.silversea.com) or at the Shore Concierge desk onboard for a truly tailor-made arrangement. Please bear in mind as we traverse many far reaching destinations, the local infrastructure varies and is beyond our control. Road conditions and vehicles available locally may not be up to standards we are accustomed to. Guides and drivers may speak with a heavy accent at times depending on the port of call. Be assured however that at Silversea, we contract only the best tours and best operators available at each destination. Please Note: Silversea reserves the right to make any changes or modify a tour in case of unforeseen circumstances and/or to ensure the safety and comfort of our guests.

BOOKING & CANCELLATION DEADLINES

Shore excursions must be purchased on or before the booking deadline for each port of call. Tours are available on a first-come, first-served basis; some tours are very popular with guests often ending up being wait-listed: in order to avoid disappointment, it is therefore suggested to book in advance via my.silversea.com from 120 - 7 days prior to sailing. Last-minute requests to participate on excursions are subject to space availability, which in some cases may not be determined until departure time pier-side. Please note that certain shore excursions may have different reservation deadlines and may incur cancellation fees if cancelled after the deadline. Unless otherwise indicated in the tour description for a particular shore excursion a 100% cancellation fee will be charged for shore excursions cancelled within 48 hours of the scheduled start time. If changes or cancellations are required once onboard, tickets must be returned to the Shore Concierge desk within the cancellation deadline period.

ONLINE ADVANCE RESERVATION OF SHORE EXCURSIONS

For those of you that are not aware, at Silversea you can pre-reserve your excursions at leisure prior to your journey on the internet, log on to MySilversea (my.silversea.com) up to 7 days prior to your sailing date. If you have pre-reserved your excursions on line, your tickets will be delivered to your suite upon embarkation and all charges will be billed to your shipboard account.

ON BOARD RESERVATIONS

Once on board, you may also reserve and purchase your shore excursions. You will find a consolidated tour booking form in your suite and at the Shore Concierge desk. Select the tours in which you wish to participate, then leave the completed and signed form at the Shore Concierge desk prior to the booking deadline indicated. Tour tickets will be delivered to your suite and your selected excursions charged to your shipboard account. Overland and exclusive excursions must be pre-paid by credit card through your reservation agents. If still available they may also be purchased on board. Shore excursions require a minimum number of participants in order to operate as described. If this minimum number is not met, Silversea reserves the right to offer the programme at a different rate or to cancel the specific departure.

SHORE EXCURSION PRICING

Sharm el Sheik - Egypt

SSH-A / ST. CATHERINE'S MONASTERY

DIFFICULTY

 Price:\$139; Duration:8.00 hrs

Following an early departure, your excursion begins with a 135-mile (216-kilometre) journey inland through rugged desert toward the foothills of Mount Sinai, site of St. Catherine's Monastery. This Greek Orthodox holy place is the oldest Christian monastery in the world, with ties going back to the prophet Moses and the exodus of the Jews from Egypt.

St. Catherine's Monastery

The monastic order was founded in the 4th century AD by the Byzantine empress Helena, who had a small chapel built next to what is believed to be the Burning Bush from which God spoke to Moses. The chapel is dedicated to St. Catherine, the legendary martyr of Alexandria. According to legend, her body was transported by angels to an area just south of Mount Sinai, where it was found some 300 years later by monks from the monastery. In the 6th century, Emperor Justinian ordered the building of a fortress, including a basilica and a monastery to serve as a refuge for the monks of St. Catherine's.

Today, the monastery is still in use and inhabited by Greek Orthodox monks. Despite its remote location, the monastery attracts a great number of visitors and pilgrims. Its attractive scenic location is in itself a highlight. Until a road was built, the only way to enter the monastery was by being hauled up the steep walls in a basket. The guided tour of the monastic complex includes viewing what is believed to be Moses' Burning Bush and visits to the chapel to admire a collection of icons and jeweled crosses, as well as to the Library Museum which contains an impressive collection of precious icons and manuscripts.

Leaving the monastery, re-join the coach and commence the return journey to Sharm-el-Sheikh.

Enjoy the opportunity to visit Jordan's most famous attraction, the spectacular rose-red City of Petra during this full-day tour. Lunch and entrance fees are included.

Petra

Depart the port in comfortable coaches and travel north along the Desert Highway. The last stretch is on country road through several small villages. For those who wish, the entrance to the siq may be reached on horseback - at your own risk. (There is no charge for this service but the horseman will expect a gratuity.)

Khazneh (Treasury)

As you exit the gorge, it suddenly opens into a natural square dominated by Petra's most famous monument, the Treasury. Its intricately carved façade presents a magnificent sight in the dazzling sun. If you have seen the movie *Indiana Jones and the Last Crusade*, you will no doubt recognize the façade. Follow the guide farther into the site and discover other impressive structures carved out of the rose-coloured stone. They include temples, royal tombs and an amphitheatre that could seat 3,000 spectators. The Petra basin boasts over 800 individual monuments; to explore it all would take several days.

Your visit of approximately three hours concludes with the walk back via the same way. Optionally, a horse-drawn buggy or carriage can be hired to take you through the narrow pathway of the Petra Valley. It is the only transportation permitted. Buggies/carriages are limited and cannot be reserved in advance. However, local staff will provide assistance. The charge is \$40 USD per two-person (at the time if printing) carriage to be paid on the spot. Be aware that you may have to wait in line. Each buggy carries two persons; the ride can be quite bumpy.

Afterwards, re-join the coach for the 2.5-hour drive back to Aqaba. Lunch and entrance fees are included.

Please note: This tour requires an extensive amount of walking through the half-mile-long (800 metres) defile and within Petra; in total about 3 hours, much of it on uneven ground. This tour is not suitable for guests with limited mobility or those who utilize a wheelchair. Comfortable walking shoes are essential. Be aware that the weather is often unpredictable - it may be cool and windy among the rocks, but hot in open areas. The duration of the drive between the pier and Petra is approximately 1.5-2.5 hours in each direction. Restrooms are of local standard and may fall below Silversea expectations. This tour offers a unique Jordanian experience; a sense of adventure is required.
