General Information

ORGANISED SHORE EXCURSIONS

Booking Direct with Silversea gives you peace of mind. Our local tour operators are fully insured and have been comprehensively vetted. In the unlikely event of issues with a Silversea tour, we assume responsibility and the ship will wait for our delayed shore excursion. These are important factors when comparing value. Looking for a special program with your travelling companions? In a nod to our Italian heritage, let us reserve for you our Silver Shore "Privato" service - a private vehicle with driver and/or guide. Create your own itinerary or leave it to us. This service is available in most ports which you can reserve on MySilversea (my.silversea.com) or at the Shore Concierge desk onboard for a truly tailor-made arrangement. Please bear in mind as we traverse many far reaching destinations, the local infrastructure varies and is beyond our control. Road conditions and vehicles available locally may not be up to standards we are accustomed to. Guides and drivers may speak with a heavy accent at times depending on the port of call. Be assured however that at Silversea, we contract only the best tours and best operators available at each destination. Please Note: Silversea reserves the right to make any changes or modify a tour in case of unforeseen circumstances and/or to ensure the safety and comfort of our guests.

BOOKING & CANCELLATION DEADLINES

Shore excursions must be purchased on or before the booking deadline for each port of call. Tours are available on a first-come, first-served basis; some tours are very popular with guests often ending up being wait-listed: in order to avoid disappointment, it is therefore suggested to book in advance via my.silversea.com from 120 - 7 days prior to sailing. Last-minute requests to participate on excursions are subject to space availability, which in some cases may not be determined until departure time pier-side. Please note that certain shore excursions may have different reservation deadlines and may incur cancellation fees if cancelled after the deadline. Unless otherwise indicated in the tour description for a particular shore excursion a 100% cancellation fee will be charged for shore excursions cancelled within 48 hours of the scheduled start time. If changes or cancellations are required once onboard, tickets must be returned to the Shore Concierge desk within the cancellation deadline period.

ONLINE ADVANCE RESERVATION OF SHORE EXCURSIONS

For those of you that are not aware, at Silversea you can pre-reserve your excursions at leisure prior to your journey on the internet, log on to MySilversea (my.silversea.com) up to 7 days prior to your sailing date. If you have pre-reserved your excursions on line, your tickets will be delivered to your suite upon embarkation and all charges will be billed to your shipboard account.

ON BOARD RESERVATIONS

Once on board, you may also reserve and purchase your shore excursions. You will find a consolidated tour booking form in your suite and at the Shore Concierge desk. Select the tours in which you wish to participate, then leave the completed and signed form at the Shore Concierge desk prior to the booking deadline indicated. Tour tickets will be delivered to your suite and your selected excursions charged to your shipboard account. Overland and exclusive excursions must be pre-paid by credit card through your reservation agents. If still available they may also be purchased on board. Shore excursions require a minimum number of participants in order to operate as described. If this minimum number is not met, Silversea reserves the right to offer the programme at a different rate or to cancel the specific departure.

SHORE EXCURSION PRICING

Prices are generally quoted per person, per tour, with the exception of Silver Shore Privato or group-designated excursions. Prices are subject to change without notice. The Shore Concierge team will be pier-side to direct you to the appropriate transportation. When the ship is at anchor, guests must allow additional time to tender ashore.

Silversea Cruises reserves the right to adjust itineraries and tour departures as local conditions dictate. Please note that pier departure times are also listed in MySilversea (my.silversea.com)

Complimentary transportation may be provided by Silversea when the local town is beyond a reasonable walking distance from the port. Nuku Hiva - French Polynesia

NUK-A / TAIPIVAI VALLEY SCENIC DRIVE

DIFFICULTY

Price:\$149; Duration:3.00 hrs

Discover the beauty of Nuku Hiva and follow the trails of adventurer and novelist, Herman Melville on this half-day exploration of the island. After tendering ashore, board the 4x4 vehicle for a rugged trip into the island's interior. The first stop is at the 2,834-foot (864-metre) Muake Hill, from where you can enjoy the best view of the bay. Continue driving up a steep trail, over the high Toovii Plateau and through lush vegetation toward the Taipivai Valley. Along the way, photo stops at various viewpoints provide breath-taking vistas of the coastline, bays, and valleys. Pausing every so often, the guide tells you about the rich flora and fauna of the area.

The Taipivai Valley was made famous by the American writer, Herman Melville (1819-1891), who deserted his ship and hid in the valley. Captured by the natives, he spent several weeks here and learned during this time about their way of life. His novel *Typee* is based on this experience. Your tour takes you through the small village of Taipivai, where the people engage mainly in agriculture. From here, proceed to the beach area from where you can enjoy views of the surrounding mountains.

Travel back to Taiohae and visit the Cathedral of Notre-Dame of Marquesas. The church was built with different coloured stones from the six Marquesas Islands; magnificently carved sculptures adorn the interior. Conclude the tour back at the pier.

Please note: Little walking is required; however, guests must be agile and able to climb in and out of the vehicles. This tour operates in a variety of small, non air-conditioned 4X4 vehicles (sport utility vehicles) that offer a bumpy ride at times and are the best available on the island. This tour is not suitable for anyone with neck, back or hip problems or those who utilise a wheelchair. The price of this tour reflects the high cost of the limited tour infrastructure on this remote island. Drivers do not give commentary; they are not certified guides and their English is very basic. There will be a local guide giving explanation at each stop. Itinerary and stops are subject to weather conditions. We recommend wearing lightweight clothing. Restroom facilities may not be to Silversea standards. Participation is limited.

Rangiroa - French Polynesia

RAN-A / BLACK PEARL FARM VISIT

DIFFICULTY

Price:\$69; Duration:1.50 hrs

Learn about the cultivating of black pearls in Rangiroa and French Polynesia on this visit to a local farm. Board the tour vehicle for a 10-minute ride along the main road of Rangiroa and past the airport to one of the numerous black pearl farms on the island. Most pearl farms are small in size; the workers at the farm visited are representative of the farms in this area.

Your visit begins with a 20-minute introduction to pearl farming presented by the knowledgeable staff. Listen as farm representatives discuss the chronology and evolution of the industry and how oysters are selected and then grafted for production. Grafting is the key element, as it requires a skilled artisan to perform the precise opening of each oyster to introduce the mantle and the nucleus to the pocket inside. It is the mantle that coats the nucleus to form the pearl.

Following the introduction, move on to one of the work sheds where oysters are sorted and cleaned. Then, watch a grafter at work as he skilfully performs his trade. Afterwards, you have the opportunity to view a selection of unset black pearls. The guide provides explanations on how the pearls are graded for quality, shape, and lustre. There are round, baroque and semi-baroque pearls, ranging in grades from C to A.

Re-board the tour vehicle and return to the pier.

Please note: This tour requires a minimal amount of walking to the tour vehicle and at the farm; guests must be able to enter and exit the vehicle via steps. This tour is suitable for guests with limited mobility but is not wheelchair accessible. Transportation is very basic; vehicles used are mini-vans and mini-buses and are the best available. Due to the limited number of vehicles available, all seats are utilised. We thank you for your understanding. Commentary at the pearl farm is by the local workers. They are not certified guides and their English may be basic and accented. Pearls can be purchased at the boutique at the end of the visit. They accept cash (Euro, USD, Pacific Franc) and credit
