# General Information

## ORGANISED SHORE EXCURSIONS

Booking Direct with Silversea gives you peace of mind. Our local tour operators are fully insured and have been comprehensively vetted. In the unlikely event of issues with a Silversea tour, we assume responsibility and the ship will wait for our delayed shore excursion. These are important factors when comparing value. Looking for a special program with your travelling companions? In a nod to our Italian heritage, let us reserve for you our Silver Shore "Privato" service - a private vehicle with driver and/or guide. Create your own itinerary or leave it to us. This service is available in most ports which you can reserve on MySilversea ([my.silversea.com](http://my.silversea.com)) or at the Shore Concierge desk onboard for a truly tailor-made arrangement. Please bear in mind as we traverse many far reaching destinations, the local infrastructure varies and is beyond our control. Road conditions and vehicles available locally may not be up to standards we are accustomed to. Guides and drivers may speak with a heavy accent at times depending on the port of call. Be assured however that at Silversea, we contract only the best tours and best operators available at each destination. Please Note: Silversea reserves the right to make any changes or modify a tour in case of unforeseen circumstances and/or to ensure the safety and comfort of our guests.

## BOOKING & CANCELLATION DEADLINES

Shore excursions must be purchased on or before the booking deadline for each port of call. Tours are available on a first-come, first-served basis; some tours are very popular with guests often ending up being wait-listed: in order to avoid disappointment, it is therefore suggested to book in advance via [my.silversea.com](http://my.silversea.com) from 120 days until 48 hours prior to sailing. Last-minute requests to participate on excursions are subject to space availability, which in some cases may not be determined until departure time pier-side. Please note that certain shore excursions may have different reservation deadlines and may incur cancellation fees if cancelled after the deadline. Unless otherwise indicated in the tour description for a particular shore excursion a 100% cancellation fee will be charged for shore excursions cancelled within 48 hours of the scheduled start time. If changes or cancellations are required once onboard, tickets must be returned to the Shore Concierge desk within the cancellation deadline period.

## ONLINE ADVANCE RESERVATION OF SHORE EXCURSIONS

For those of you that are not aware, at Silversea you can pre-reserve your excursions at leisure prior to your journey on the internet, log on to MySilversea ([my.silversea.com](http://my.silversea.com)) until 48 hours prior to sailing. If you have pre-reserved your excursions on line, your tickets will be delivered to your suite upon embarkation and all charges will be billed to your shipboard account.

## ON BOARD RESERVATIONS

Once on board, you may also reserve and purchase your shore excursions. You will find a consolidated tour booking form in your suite and at the Shore Concierge desk. Select the tours in which you wish to participate, then leave the completed and signed form at the Shore Concierge desk prior to the booking deadline indicated. Tour tickets will be delivered to your suite and your selected excursions charged to your shipboard account. Overland and exclusive excursions must be pre-paid by credit card through your reservation agents. If still available they may also be purchased on board. Shore excursions require a minimum number of participants in order to operate as described. If this minimum number is not met, Silversea reserves the right to offer the programme at a different rate or to cancel the specific departure.

## SHORE EXCURSION PRICING

Prices are generally quoted per person, per tour, with the exception of Silver Shore Privato or group-designated excursions. Prices are subject to change without notice. Please visit MySilversea ([my.silversea.com](http://my.silversea.com)) for the most up-to-date information. Discounts for children under 12 years of age are available on some, but not all tours. Prices for children, if available, will be adjusted onboard. Please meet with the Shore Concierge team prior to your excursion to discuss the availability of children's pricing.

## ON-TIME TOUR DEPARTURES

As a courtesy to fellow guests, tour departures generally will not be announced unless there is an unforeseen change. Departure times from the ship are published in the ships daily newspaper, the Silversea Chronicle. Guests are kindly requested to proceed ashore at least ten minutes prior to the tour departure time. The Shore Concierge team will be pier-side to direct you to the appropriate transportation. When the ship is at anchor, guests must allow additional time to tender ashore.

Silversea Cruises reserves the right to adjust itineraries and tour departures as local conditions dictate. Please note that pier departure times are also listed in MySilversea ([my.silversea.com](http://my.silversea.com))

## TOUR SUITABILITY

At Silversea we offer a broad range of activities for our guests of all physical capabilities. Some excursions are decidedly only for the physically fit and active guest. Each excursion offered is clearly identified with an activity level to assist you. For your safety and enjoyment and that of your fellow guests, please be certain you're selecting excursions that meet your physical capability. We therefore encourage guests to review the tour description carefully including the PLEASE NOTE section which includes useful information and attend the port talks onboard. If you still have any questions or concerns regarding this, please contact Shore Concierge ([shoreconcierge@silversea.com](mailto:shoreconcierge@silversea.com)) prior to your cruise or visit the Shore Concierge desk for more detailed information once onboard.

The Shore Concierge team is available onboard on sea days from 9:00 a.m. to 12:00 noon and from 3:00 p.m. to 7:00 p.m. Office opening hours in port may vary whilst staff is shore-side assisting you on tour. Please refer to the Silversea Chronicle for daily office opening hours.

When contemplating a tailor-made program onboard, please contact the Shore Concierge team as early as possible at the beginning of your cruise, as time may be a factor in reaching local contacts. Unfortunately, we are unable to change or cancel airline tickets, car rental, hotel or any other reservations you made previously with your travel agent or on your own. In many ports of call there may be a local hospitality representative on board to provide additional information, for two hours after the ship's arrival. In some ports, local information may be found in the tourist information centre ashore.

#### **PORT TALKS**

Throughout your cruise we'll be offering Port & Shore Excursion information given by our Shore Concierge Manager and Destination Consultant prior to arrival in each port of call. Our aim is to give you a travel experience that goes beyond the ordinary and many of your questions about our ports of call will be answered in these briefings, giving you more time to enjoy and immerse yourself in each port. The information is presented in the theater or is pre-recorded and played on your in-suite entertainment system.

#### **SILVERSEA SHUTTLE SERVICE**

Complimentary transportation may be provided by Silversea when the local town is beyond a reasonable walking distance from the port. This service may not be possible in ports where a strong taxi union exists, preventing Silversea from providing a complimentary shuttle. The availability and schedule for this service will be announced onboard and listed in the Silversea Chronicle. We are not able to advise this in advance. Operationally, intervals between shuttle bus departures could be affected by local traffic. Silversea is not liable for any unforeseen delays. There will be a break in service for driver meal times. Shuttle service is offered during the day only. The shuttle service is designed to augment local transportation; guests requiring more flexibility may prefer not to wait for a shuttle and secure a taxi at their own expense.

#### **CHILDREN ON TOUR**

To ensure the safety of our younger guests, participation by children in certain shore excursions may be restricted. To ensure the safety of our younger guests, children up to the age of 8 years old are only permitted to participate in suitable Silver Shore Excursions and the shuttle service, if the vehicles are equipped with the correct safety harness and seating equipment, to accommodate a child. Such harnesses' and secure seating cannot be guaranteed. Please Note: The selection of shops is generally left to the discretion of the tour operator. # Papeete - French Polynesia

PPT-A / TAHITI HIGHLIGHTS

DIFFICULTY

Price:\$149; Duration:4.00 hrs

Discover the natural beauty of Tahiti during this half-day look at the island.

Depart the pier for the drive through Papeete, then head along the East Coast en route to the James Norman Hall.

### James Norman Hall Museum

Begin your tour with a visit to a modest museum dedicated to the memory of a modest man: James Norman Hall. He was an American author best known for the novel *Mutiny on the Bounty* with co-author Charles Nordhoff. The site including both a house and its gardens is classified a historic monument since 1993. After years of perseverance of the Hall, the house is tediously rebuilt by the country identically, down to the smallest detail. Even the garden regained its past glory. It was inaugurated on January 17, 2002 to become a museum. Today, it restores the daily environment of this hero of the First World War, adventurer, poet and major writer of contemporary American literature. His office, library of 3000 books, his typewriter, precious wood furniture, some fetish objects, old photos and his favorite paintings, it is all the special atmosphere of the tropics in the inter-war period that guests can discover.

### Marae Arahurahu

Next, proceed to Arahurahu which is the only *marae* (traditional temple) in all of Polynesia that has been fully restored, and it is maintained like a museum. It is Tahiti's best example of ancient Polynesian temples and meeting places, and its exhibit boards do a good job of explaining the significance of each part. These structures were used by Polynesians for ceremonial gatherings, such as religious rituals, important weddings, celebrations of military victories, enthronement of kings.

### Vaipahi Gardens

A place to stop off in the circuit around the island of Tahiti, the public gardens of Vaipahi offer wonderful views of water, light and exquisite vegetation. This haven of peace of over a hectare invites you to take pleasant walks among its natural treasures. Nearly 75 different plant species composes its abundant flora, planted close to the basins and waterfalls which flow directly into Lake Vaihiria.

Following this stop, journey back to Papeete and the ship.

Itinerary, all arrangements, and prices are subject to change without notice. Silversea reserves the right to correct any errors or omissions. Please refer to [my.silversea.com](http://my.silversea.com) for the most current schedules, fares and complete terms and conditions.

DIFFICULTY

---

 Price:\$79; Duration:1.50 hrs
 

---

This tour is ideal for guests who are curious of the underwater life that surrounds Bora Bora but who prefer to stay dry. View the richness of Polynesian sea life without getting wet from the comfort of a glass bottom boat on the scenic cruise.

Meet your guide on the pier and your glass bottom boat. Begin your cruise into the Bora Bora lagoon with a view of the marina below. The boat has sections of glass below the waterline, providing views far better than simply looking in the water from above. The covered boat offers protection from the sun and eliminates glare, allowing you to take better photos.

Become acquainted with parrot fish, snappers, trigger fish and other coral life. While the main focus is the underwater sightseeing, the view from the boat of the lagoon and the island is outstanding.

Returning to the island, the glass bottom boat takes you to the tender pier.

**Please note:** This tour requires a minimal amount of activity and is suitable for guests with limited mobility, able to climb 2 steep steps in and out of the boat. It is not wheelchair accessible. Lightweight clothing and non-slip soled shoes are suggested. Remember to bring protection from the sun, bottled water and your camera from the ship. **BOB-G / BORA BORA AQUA SAFARI**

DIFFICULTY

---

 Price:\$129; Duration:1.50 hrs
 

---

Discover the underwater world of Bora Bora on this Aqua Safari. Wearing a wetsuit and helmet, walk on the ocean floor and take in the sites only usually seen by divers.

Depart the pier for the brief transfer to the Aqua Safari base. Here you are fitted with a wet suit and specially-designed helmet. After a safety information session and boat ride to the dive location, enter the water. The weighted helmet with piped in oxygen is lowered onto your head before you submerge. Due to the buoyancy of the water, the helmet weight is hardly noticeable underwater.

Walk along the sandy ocean floor just as if you were on dry land; there is no swimming required. You are approximately 10-20 feet (3.5-6 metres) below the surface as you explore this incredible marine wonder. The crew will accompany the group as your presence attracts the myriad of multi-coloured tropical fish in the area. The dive site boasts a variety of fish and coral as you walk in a defined area. Your underwater experience is approximately 30 minutes, and time permitting you may have an opportunity to snorkel either before or afterwards.

Come to the surface and cruise the lagoon back to the dock before returning to the pier.

**Please note:** This tour is recommended to guests who are physically fit and do not suffer from a heart condition, breathing issues such as asthma, claustrophobia or difficulties manoeuvring in or out of a boat using a ladder. It is suitable for those who cannot swim; however, it is not recommended for pregnant women. There is a moderate amount of walking required and this tour is not wheelchair accessible. Wear a bathing suit under a cover-up and aqua shoes and bring a towel and sun protection from the ship. All equipment is provided but guests may wish to bring their own mask and snorkel. Guests must be 8 years of age or older to participate. Itinerary and order of sites visited may change and operation of this tour is dependent upon favourable weather and sea conditions. It can be cancelled on short notice. We highly recommend you bring a waterproof disposable camera with you from home. Depart the pier with your driver-guide for the scenic, approximately one-hour drive through the wine-growing areas of Kumeu and Huapai en route to Muriwai Beach, located on the rugged west coast. At the clifftops overlooking the beach, take a short walk through the native plants to the lookout point to see the gannet colony here; one of only two mainland gannet colonies in the world. Depending upon the season, you may be able to view the birds' nesting and feeding routines, and their spectacular diving technique as they hunt for fish.

### South Kaipara Peninsula, Haumoana Farm, Sheep Mustering and Shearing Demonstration

Leaving Muriwai, re-board your coach and drive through the rural farming districts. Along the way, a stop is made at Haumoana Farm, a 200-acre (about 81-hectare) holding situated on the South Kaipara Peninsula. The farm runs 300 Romney sheep for prime lamb and wool production, 200 cattle and a small fallow deer unit. Upon arrival, you are welcomed by your hosts, Greg and Barbara Ross, who will share their experience on the farm. See the mustering of sheep by trained sheepdogs, a skilled shearing demonstration that illustrates just how quickly a sheep can be shorn of its wool, and other typical farm activities.

### Main House, Morning/Afternoon Tea, Waitoki, Dairy Flat

Following your guided tour, you are invited to the main house for morning or afternoon tea served with assorted home baking. At the conclusion of your visit, re-board your coach and commence the approximately 1-hour drive back to the pier via the farming areas of Waitoki and Dairy Flat.

**Please note:** The Muriwai Gannet Colony stop is self-guided. This tour involves a moderate amount of walking for approximately 219 yards (about 200 metres), at times over uneven, gravel and grassy surfaces, with a few steps to negotiate to get on/off the coach, and 30 steps and inclined paths to access the viewing platforms at the Muriwai Gannet Colony. This tour is not suitable for guests prone to motion sickness, guests with limited mobility and guests who utilise a wheelchair. Guests are advised to wear lightweight, comfortable clothing with flat, closed-toe walking shoes, and bring sun protection and a weatherproof coat or jacket from the ship. Itinerary, all arrangements, and prices are subject to change without notice. Silversea reserves the right to correct any errors or omissions. Please refer to my.silversea.com for the most current schedules, fares and complete terms and conditions.

Begin with a 10-minute walk from the ship's pier where a 23-seater, 600-horsepower, turbo-charged jet boat will be waiting for you. A safety briefing will advise you on what to expect and how to make the most of your 35-minute jet boating experience.

Taking the vessel to speeds in excess of 50 knots, the skipper will show you a different side of the iconic harbour. See famous landmarks, such as the Chelsea Sugar Refinery built in 1882, and hear engaging commentary. In addition to becoming introduced to waterside Auckland, you will also feel the thrill of the ride. Hang on tight while your vessel throws in some 360 spins, power brakes and other tricks out in the wide open space of Waitemata Harbour.

At the conclusion of this thrilling ride, take a short walk back to the pier to re-join the ship.
