General Information

ORGANISED SHORE EXCURSIONS

Booking Direct with Silversea gives you peace of mind. Our local tour operators are fully insured and have been comprehensively vetted. In the unlikely event of issues with a Silversea tour, we assume responsibility and the ship will wait for our delayed shore excursion. These are important factors when comparing value. Looking for a special program with your travelling companions? In a nod to our Italian heritage, let us reserve for you our Silver Shore "Privato" service - a private vehicle with driver and/or guide. Create your own itinerary or leave it to us. This service is available in most ports which you can reserve on MySilversea (my.silversea.com) or at the Shore Concierge desk onboard for a truly tailor-made arrangement. Please bear in mind as we traverse many far reaching destinations, the local infrastructure varies and is beyond our control. Road conditions and vehicles available locally may not be up to standards we are accustomed to. Guides and drivers may speak with a heavy accent at times depending on the port of call. Be assured however that at Silversea, we contract only the best tours and best operators available at each destination. Please Note: Silversea reserves the right to make any changes or modify a tour in case of unforeseen circumstances and/or to ensure the safety and comfort of our guests.

BOOKING & CANCELLATION DEADLINES

Shore excursions must be purchased on or before the booking deadline for each port of call. Tours are available on a first-come, first-served basis; some tours are very popular with guests often ending up being wait-listed: in order to avoid disappointment, it is therefore suggested to book in advance via my.silversea.com from 120 days until 48 hours prior to sailing. Last-minute requests to participate on excursions are subject to space availability, which in some cases may not be determined until departure time pier-side. Please note that certain shore excursions may have different reservation deadlines and may incur cancellation fees if cancelled after the deadline. Unless otherwise indicated in the tour description for a particular shore excursion a 100% cancellation fee will be charged for shore excursions cancelled within 48 hours of the scheduled start time. If changes or cancellations are required once onboard, tickets must be returned to the Shore Concierge desk within the cancellation deadline period.

ONLINE ADVANCE RESERVATION OF SHORE EXCURSIONS

For those of you that are not aware, at Silversea you can pre-reserve your excursions at leisure prior to your journey on the internet, log on to MySilversea (my.silversea.com) until 48 hours prior to sailing. If you have pre-reserved your excursions on line, your tickets will be delivered to your suite upon embarkation and all charges will be billed to your shipboard account.

ON BOARD RESERVATIONS

Once on board, you may also reserve and purchase your shore excursions. You will find a consolidated tour booking form in your suite and at the Shore Concierge desk. Select the tours in which you wish to participate, then leave the completed and signed form at the Shore Concierge desk prior to the booking deadline indicated. Tour tickets will be delivered to your suite and your selected excursions charged to your shipboard account. Overland and exclusive excursions must be pre-paid by credit card through your reservation agents. If still available they may also be purchased on board. Shore excursions require a minimum number of participants in order to operate as described. If this minimum number is not met, Silversea reserves the right to offer the programme at a different rate or to cancel the specific departure.

SHORE EXCURSION PRICING

Prices are generally quoted per person, per tour, with the exception of Silver Shore Privato or group-designated excursions. Prices are subject to change without notice. SILVERSEA SHUTTLE SERVICE

Complimentary transportation may be provided by Silversea when the local town is beyond a reasonable walking distance from the port. MCT-A / SPLENDOURS OF MUSCAT

DIFFICULTY

Price: \$99; Duration: 4.50 hrs

Get a first-hand introduction to Oman's capital, an exciting mix of medieval, traditional and modern architecture that lends Muscat an ambiance all of its own.

Meet your guide on the pier, board the coach and drive directly to the Grand Mosque.

Sultan Qaboos Grand Mosque

Construction on the mosque complex began in early 1995 and was completed six years later. Inauguration followed in May 2001 by His Majesty the Sultan. The invested patronage of Sultan Qaboos plus his instructions to the team overseeing the project at the Diwan of the Royal Court, has endorsed the spiritual and architectural role of the largest mosque in Oman, able to accommodate up to 20,000 worshippers. The whole interior is panelled with off-white and dark grey marble. The ceilings are inspired by those of Omani forts and a Swarovski crystal chandelier with gold-plated metalwork hangs down for a length of 46 feet (14 metres). Your visit to this splendid house of worship will be an impressive experience. Please note mosque can only be viewed from the inside in the morning and on days other than Fridays/religious holidays.

Re-join the coach and continue to the Kargeen Café for refreshments.

Muttrah Souq

This colourful market, boasting scores of traditional shops, is one of the most frequented spots in Muscat. During a stroll through the narrow alleys, experience the unique atmosphere and see many authentic items, including frankincense, exotic perfumes, gold and silver jewellery, handicrafts in copper and camel bone, Omani designer products, and antiques (items over 50 years olds cannot be exported). A visit here is a mind-boggling experience.

Then, heading toward the old town, visit one of Muscat's most outstanding museums.

Bait Al Zubair

This museum contains one of Oman's finest and most comprehensive collections of artefacts from all over the Sultanate. Built in 1914 by Sheikh Al Zubair bin Ali, it was opened as a museum in 1998 by his son Mohammed Al Zubair as an integral part of the city's heritage. The museum is an important showcase for traditional Omani crafts and culture. Displays include antique jewellery, costumes, domestic utensils, Omani weaponry and recreated urban and rural environments.

Old Town & Al Alam Royal Palace

Following your visit to the museum, the guide leads you on a walk through the winding streets of the old town. The main attraction is the Al Alam Royal Palace. Nestled between the Al Jalali and Al Mirani Forts, the palace's fairy-tale façade of gold and blue pillars make it one of the most beautiful buildings in the city. As the official estate of Oman's ruler, no inside visit is possible. However, seen from the gate the view of the exterior is quite impressive and you are welcomed to take photos.

At the end of your walk, re-join the coach for your way back to Port Qaboos and the ship.

Itinerary, all arrangements, and prices are subject to change without notice. Silversea reserves the right to correct any errors or omissions. Please refer to my.silversea.com for the most current schedules, fares and complete terms and conditions.

The visit to the mosque requires both ladies and gentlemen to have their legs and ankles totally covered and wear long sleeve shirts/blouses. Ladies also need to bring a scarf to cover their head. Shoes must be removed at the entrance to the mosque; bring socks for comfort. Any food, drinks, and smoking are strictly prohibited at the Grand Mosque. Muscat - Oman

MCT-D / DOLPHIN WATCH & SNORKELLING ADVENTURE

DIFFICULTY

Price:\$139; Duration:4.00 hrs

While Muscat offers numerous cultural attractions, the rugged coastline and sparkling waters are equally appealing. During this water-oriented outing, spend approximately two hours looking for wild dolphins and other marine life, with an hour to snorkel.

Leaving the port, a 20-minute drive brings you to the Marina Bander Al Rowdha where the boat stands ready for boarding. Head out to sea in search of dolphins known to frequent this area. Watching their playful antics is a thrilling experience. If lucky, you may catch a glimpse one of the many species of whales that can be found a short distance from Muscat's rugged coast.

Next, cruise to Bander Khiran where the boat drops anchor at a spot known for its colourful coral beds inhabited by large varieties of exotic fish. From the boat, enjoy easy access into the water to swim and snorkel amidst this wonderful sea world.

Then, relax on the return cruise to the marina, where the coach is ready to take you back to Port Qaboos and the ship.

Please note: This tour requires an extensive amount of activity if guests plan to snorkel; guests must be able to swim in water too deep to stand. The snorkelling activity is optional and guests not wishing to participate remain on the boat. A minimal amount of walking is required for approximately 273 yards (250 metres); however, all guests must be able to manoeuvre in and out of the boat. Swimming/snorkelling is done from the back of the boat. This tour operates in motorised boats, carrying 10-12 guests each. It does not include 'swimming with the dolphins' and sighting of dolphins or other marine life cannot be guaranteed. Beach attire is acceptable; wear your swimsuit under a cover-up. Remember to bring sunscreen, a hat, sunglasses and a towel from the ship. Operation of the tour is dependent on favourable weather and sea conditions; it is not suitable for anyone prone to seasickness. Snorkelling equipment is provided, including fins.

The sight of the graceful sail of the dhow is synonymous with being in an exotic and far away land. For thousands of years Omanis have plied a sea-trading thoroughfare on trusty Dhows, their travels stretching north to Mesopotamia, east to India, and southwest to Africa.

From the pier, a 20-minute drive brings you to the Marina Bandar Al Rowdha and your awaiting dhow. The 'Lubna' provides interior and exterior seating. Indoors, overlooking the sea is an Arabic style saloon with stained glass windows and outside is 'majlis' or Arabic-style floor seating, all surrounded in traditional Omani ambience. The voyage is a carefully selected route along old Muscat, taking in scenes of Omani history from Portuguese architecture at the cornice to the modern wonders of the Al Alam Palace.

During the cruise, fresh dates, Omani coffee, and assorted soft drinks are offered. After the two-hour journey return to the marina where you are transferred back to the port to re-join the ship.

Please note: This tour requires a minimal amount of walking for approximately 273 yards (250 metres), with a few steps to negotiate to get on/off the coach and 5-6 steps throughout the tour. Care must be taken on the narrow wooden stairs to board the dhow and when embarking/disembarking the boats; guests must be agile and have good balance to participate. This tour is not suitable for guests who utilise a wheelchair. While the coaches will be air-conditioned, there is no artificial cooling on the boats. The operation of this tour is subject to weather and sea conditions. Those who suffer from motion sickness should take precautions in advance. The dhow operates under power; sail may be utilised. There are facilities on board the dhow. We recommend you wear sun protection. Do not take photographs of individuals without their permission. Women in particular do not like being photographed. It is forbidden to take pictures of military facilities, borders and airports. Observe 'NO PHOTOGRAPHY' signs. Space is limited; we suggest you pre-reserve in advance to avoid any disappointment.

Get a first-hand introduction to Oman's capital, an exciting mix of medieval, traditional and modern architecture that lends Muscat an ambiance all of its own.

Meet your guide on the pier, board the coach and drive directly to the Grand Mosque.

Sultan Qaboos Grand Mosque

Construction on the mosque complex began in early 1995 and was completed six years later. Inauguration followed in May 2001 by His Majesty the Sultan. The invested patronage of Sultan Qaboos plus his instructions to the team overseeing the project at the Diwan of the Royal Court, has endorsed the spiritual and architectural role of the largest mosque in Oman, able to accommodate up to 20,000 worshippers. The whole interior is panelled with off-white and dark grey marble. The ceilings are inspired by those of Omani forts and a Swarovski crystal chandelier with gold-plated metalwork hangs down for a length of 46 feet (14 metres). Your visit to this splendid house of worship will be an impressive experience. Please note mosque can only be viewed from the inside in the morning and on days other than Fridays/religious holidays.

Re-join the coach and continue to the Kargeen Café for refreshments.

Muttrah Souq

This colourful market, boasting scores of traditional shops, is one of the most frequented spots in Muscat. During a stroll through the narrow alleys, experience the unique atmosphere and see many authentic items, including frankincense, exotic perfumes, gold and silver jewellery, handicrafts in copper and camel bone, Omani designer products, and antiques (items over 50 years olds cannot be exported). A visit here is a mind-boggling experience.

Then, heading toward the old town, visit one of Muscat's most outstanding museums.

Bait Al Zubair

This museum contains one of Oman's finest and most comprehensive collections of artefacts from all over the Sultanate. Built in 1914 by Sheikh Al Zubair bin Ali, it was opened as a museum in 1998 by his son Mohammed Al Zubair as an integral part of the city's heritage. The museum is an important showcase for traditional Omani crafts and culture. Displays include antique jewellery, costumes, domestic utensils, Omani weaponry and recreated urban and rural environments.

Old Town & Al Alam Royal Palace

Following your visit to the museum, the guide leads you on a walk through the winding streets of the old town. The main attraction is the Al Alam Royal Palace. Nestled between the Al Jalali and Al Mirani Forts, the palace's fairy-tale façade of gold and blue pillars make it one of the most beautiful buildings in the city. As the official estate of Oman's ruler, no inside visit is possible. However, seen from the gate the view of the exterior is quite impressive and you are welcomed to take photos.

At the end of your walk, re-join the coach for your way back to Port Qaboos and the ship.

Please note: This tour requires a moderate amount of walking for approximately 546 Yards (500 metres) in the old town and approximately 15 steps at the Grand Mosque, museum and souq. It is not suitable for guests who utilise a wheelchair. Guests with limited mobility may need the assistance of their travel partner. The visit to the mosque requires both ladies and gentlemen to have their legs and ankles totally covered and wear long sleeve shirts/blouses. Ladies also need to bring a scarf to cover their head. Shoes must be removed at the entrance to the mosque; bring socks for comfort. Any food, drinks, and smoking are strictly prohibited at the Grand Mosque. Entrance to the Sultan Qaboos Grand Mosque is not possible during Muslim Holiday observance, Fridays and daily in the afternoon. An outside stop will be substituted at these times. Photography is not permitted inside Bait Al Zubair Museum. The tour sequence may vary. Bring local currency for any purchases.
