# General Information

## ORGANISED SHORE EXCURSIONS

Booking Direct with Silversea gives you peace of mind. Our local tour operators are fully insured and have been comprehensively vetted. In the unlikely event of issues with a Silversea tour, we assume responsibility and the ship will wait for our delayed shore excursion. These are important factors when comparing value. Looking for a special program with your travelling companions? In a nod to our Italian heritage, let us reserve for you our Silver Shore "Privato" service - a private vehicle with driver and/or guide. Create your own itinerary or leave it to us. This service is available in most ports which you can reserve on MySilversea ([my.silversea.com](http://my.silversea.com)) or at the Shore Concierge desk onboard for a truly tailor-made arrangement. Please bear in mind as we traverse many far reaching destinations, the local infrastructure varies and is beyond our control. Road conditions and vehicles available locally may not be up to standards we are accustomed to. Guides and drivers may speak with a heavy accent at times depending on the port of call. Be assured however that at Silversea, we contract only the best tours and best operators available at each destination. Please Note: Silversea reserves the right to make any changes or modify a tour in case of unforeseen circumstances and/or to ensure the safety and comfort of our guests.

## BOOKING & CANCELLATION DEADLINES

Shore excursions must be purchased on or before the booking deadline for each port of call. Tours are available on a first-come, first-served basis; some tours are very popular with guests often ending up being wait-listed: in order to avoid disappointment, it is therefore suggested to book in advance via [my.silversea.com](http://my.silversea.com) from 120 days until 48 hours prior to sailing. Last-minute requests to participate on excursions are subject to space availability, which in some cases may not be determined until departure time pier-side. Please note that certain shore excursions may have different reservation deadlines and may incur cancellation fees if cancelled after the deadline. Unless otherwise indicated in the tour description for a particular shore excursion a 100% cancellation fee will be charged for shore excursions cancelled within 48 hours of the scheduled start time. If changes or cancellations are required once onboard, tickets must be returned to the Shore Concierge desk within the cancellation deadline period.

## ONLINE ADVANCE RESERVATION OF SHORE EXCURSIONS

For those of you that are not aware, at Silversea you can pre-reserve your excursions at leisure prior to your journey on the internet, log on to MySilversea ([my.silversea.com](http://my.silversea.com)) until 48 hours prior to sailing. If you have pre-reserved your excursions on line, your tickets will be delivered to your suite upon embarkation and all charges will be billed to your shipboard account.

## ON BOARD RESERVATIONS

Once on board, you may also reserve and purchase your shore excursions. You will find a consolidated tour booking form in your suite and at the Shore Concierge desk. Select the tours in which you wish to participate, then leave the completed and signed form at the Shore Concierge desk prior to the booking deadline indicated. Tour tickets will be delivered to your suite and your selected excursions charged to your shipboard account. Overland and exclusive excursions must be pre-paid by credit card through your reservation agents. If still available they may also be purchased on board. Shore excursions require a minimum number of participants in order to operate as described. If this minimum number is not met, Silversea reserves the right to offer the programme at a different rate or to cancel the specific departure.

## SHORE EXCURSION PRICING

Prices are generally quoted per person, per tour, with the exception of Silver Shore Privato or group-designated excursions. Prices are subject to change without notice. Please visit MySilversea ([my.silversea.com](http://my.silversea.com)) for the most up-to-date information. Discounts for children under 12 years of age are available on some, but not all tours. Prices for children, if available, will be adjusted onboard. Please meet with the Shore Concierge team prior to your excursion to discuss the availability of children's pricing.

## ON-TIME TOUR DEPARTURES

As a courtesy to fellow guests, tour departures generally will not be announced unless there is an unforeseen change. Departure times from the ship are published in the ships daily newspaper, the Silversea Chronicle. Guests are kindly requested to proceed ashore at least ten minutes prior to the tour departure time. The Shore Concierge team will be pier-side to direct you to the appropriate transportation. When the ship is at anchor, guests must allow additional time to tender ashore.

Silversea Cruises reserves the right to adjust itineraries and tour departures as local conditions dictate. Please note that pier departure times are also listed in MySilversea ([my.silversea.com](http://my.silversea.com))

## TOUR SUITABILITY

In many ports of call there may be a local hospitality representative on board to provide additional information, for two hours after the ship's arrival. In some ports, local information may be found in the tourist information centre ashore.

#### **PORT TALKS**

Throughout your cruise we'll be offering Port & Shore Excursion information given by our Shore Concierge Manager and Destination Consultant prior to arrival in each port of call. Our aim is to give you a travel experience that goes beyond the ordinary and many of your questions about our ports of call will be answered in these briefings, giving you more time to enjoy and immerse yourself in each port. The information is presented in the theater or is pre-recorded and played on your in-suite entertainment system.

#### **SILVERSEA SHUTTLE SERVICE**

Complimentary transportation may be provided by Silversea when the local town is beyond a reasonable walking distance from the port. This service may not be possible in ports where a strong taxi union exists, preventing Silversea from providing a complimentary shuttle. The availability and schedule for this service will be announced onboard and listed in the Silversea Chronicle. We are not able to advise this in advance. Operationally, intervals between shuttle bus departures could be affected by local traffic. Silversea is not liable for any unforeseen delays. There will be a break in service for driver meal times. Shuttle service is offered during the day only. The shuttle service is designed to augment local transportation; guests requiring more flexibility may prefer not to wait for a shuttle and secure a taxi at their own expense.

#### **CHILDREN ON TOUR**

To ensure the safety of our younger guests, participation by children in certain shore excursions may be restricted. To ensure the safety of our younger guests, children up to the age of 8 years old are only permitted to participate in suitable Silver Shore Excursions and the shuttle service, if the vehicles are equipped with the correct safety harness and seating equipment, to accommodate a child. Such harnesses' and secure seating cannot be guaranteed. In the interest of all tour participants, guests should adhere to the allotted time and return to the tour vehicle promptly as advised by the tour guide or ship's escort. Please Note: The selection of shops is generally left to the discretion of the tour operator. **JTR-I / BEST OF SANTORINI**

DIFFICULTY

Price:\$199; Duration:6.50 hrs

Experience the island of Santorini and its best sites during this full-day picturesque sightseeing excursion.

**Akrotiri Excavations**

Depart the ship by a local tender to Athinios, where you join the waiting motor-coach. Enjoy your scenic drive to the southern end of the island and the archaeological site of Akrotiri. A volcanic eruption circa 1,600 BCE destroyed all life on the island, and the island itself sank beneath the waves. The excavations here, led by Professor Spyros Marintos, began in 1967 and document the existence of life on Strongyle, legendary Atlantis; although no written records have ever surfaced to support this. It is an amazing city with houses, streets, squares and workshops, all of which had been covered under a thick blanket of pumice for over 3,500 years. You are able to walk around this ancient city among well-preserved buildings, which will give you an insight into the ancient civilisation of Santorini, the center of a civilisation akin to the Minoans of Crete.

See many tiny shops offering a varied and unusual collection of handmade works of ceramic art, paintings and semi-precious jewellery. Coffee shops perched on the edge of the cliffs offer spectacular views of Fira and the volcano.

At the end of tour, return through the beautiful countryside back to the port of Athinios where your tender will await to take you to the ship.

**Please note:** This tour involves a moderate to extensive amount of walking over uneven, cobbled and narrow pathways and is thus not suitable for guests with limited mobility or those who utilise a wheelchair. Guests should wear seasonal clothing, flat walking shoes and sun protection. Guests must be at least 18 years old to be served alcoholic beverages. Please note that at the conclusion of the tour you will have an option to remain in the town of Fira for self-exploration. Guests will have to make their own way to the tender boats from Fira using a cable car. Cable car ticket costs 6.00 Euros one way. **JTR-K / TRADITIONAL CAIQUE, VOLCANO HIKE & HOT SPRINGS**

DIFFICULTY

Price:\$89; Duration:3.25 hrs

**Traditional Kaiki Boat, Sailing the Caldera, Nea Kameni Volcano Hike, Panoramic Views**

Travel aboard a traditional Greek sailboat called a kaiki (or caïque), a charming wooden boat and traditional fishing vessel that has a long, pointed bow and is often painted in bright colors. Sail first to Nea Kameni, a small volcanic island within the Santorini caldera. Hike to the edge of the active volcano crater past unique, almost alien lava formations. Both Nea Kameni and its neighbour, Palea Kameni, were formed over the past two thousand years by repeated eruptions. Your reward will be an awe-inspiring panorama of the island and sea.

**Palea Kameni Hot Springs, Swimming**

Afterwards, continue to sail to Palea Kameni, a home of hot springs known for their healing properties. Here, you will have a chance to spend approximately half an hour swimming and relaxing in this magical place. At the conclusion of your excursion, take the relaxation with you and enjoy approximately half an hour sail back to the Old Port of Fira.

**Please note:** This tour is an adventure tour with extensive activity and is recommended only for guests in good physical health, with the ability to undertake considerable amounts of physical activity, including hiking over uneven ground, loose volcanic rocks and an incline. It is not recommended for guests in wheelchairs or with limited mobility. Guests are suggested to wear hiking shoes, casual and light weight clothes, and bring swimsuit, sunscreen, sunglasses and towel from the ship. Following your bread tasting, take a guided stroll to the watermill and threshing area. See the millstones utilised to produce flour, and antique milling and baking tools on display, then head over to the wine press and 'raki' cauldron, or 'rakokazano'. PMO-C / ERICE & SEGESTA

DIFFICULTY

Price:\$189; Duration:8.00 hrs

Embrace the medieval beauty of Sicily's west coast during this panoramic, full-day excursion to Erice and Segesta.

Erice

Itinerary, all arrangements, and prices are subject to change without notice. Silversea reserves the right to correct any errors or omissions. Please refer to my.silversea.com for the most current schedules, fares and complete terms and conditions.

Depart the pier for the scenic, approximately 1.75-hour sightseeing drive through Palermo en route to Sicily's west coast, and a visit to Erice. A small, medieval town perched on an isolated hill north of Trapani, Erice was founded in 415 B.C. and renowned in ancient times as an important sanctuary of Venus. Although it is often shrouded in mist due to its hilltop location, Erice offers splendid panoramic views of the sea and Egadi Islands. Upon arrival, take a guided walking tour through this lovely town.

#### The Walls

Erice's Norman-style influences are reflected in its imposing towers and fortifications. During your guided walking tour, see the walls that stretch from Porta Spada to Porta Trapani, and protect the only side of the hill with no natural defences. On all other sides, the sheer rock face made the town one of the most impregnable fortresses on the island.

#### Balio Gardens and Venus Castle

Other historic sites that may be encountered during your visit include the delightful, English-style Balio Gardens and ancient Venus Castle, which offers exquisite panoramic vistas and an up-close look at the remains of the Temple of Venus. Following your guided visit, some free time is made available for you to browse the shops before proceeding for a typical Sicilian lunch at a local restaurant. After lunch, re-board your coach for the drive to nearby Segesta.

#### Segesta

Upon arrival in Segesta, discover why the view of the renowned Doric Temple on a bare hill in the deserted countryside has awed visitors for centuries. Walk up the path and steps from the coach parking area, then past the agave plants and on to this extremely well-preserved temple, which was thought to have been built by a Greek architect between 424-416 B.C. At the conclusion of your visit, re-board your coach and commence the approximately 1.5-hour drive back to the pier via Palermo's historic centre.

**Please note:** This tour involves an extensive amount of walking for approximately 1.2 miles (about 1.9 kilometres), at times over uneven, cobblestone, and slippery surfaces and inclines, with a few steps to negotiate to get on/off the coach and stairs at the sites visited. Visit of Erice and Segesta are entirely on foot. This tour is not suitable for guests with limited mobility and guests who utilise a wheelchair. Lightweight, comfortable clothing with flat, closed-toe walking shoes and sun protection are recommended. The tour sequence may vary.

The large nave has side aisles and grey granite columns that highlight the exquisite Byzantine mosaics adorning the walls above the arches. A visit is also made to the Benedictine Cloister. The courtyard is enclosed by an arcade supported by 216 sets of twin columns, each with a different design and richly-decorated capitals.

Savour a taste of the arts in Palermo during this picturesque, half-day sightseeing excursion.

**Palermo, City Centre, Piazza Verdi, Opera House**

Depart the pier and take a brief sightseeing drive through Palermo's city centre. Your first stop is at the Opera House. The Teatro Massimo Vittorio Emanuele is located in Piazza Verdi, and dedicated to King Vittorio Emanuele II. Renowned for its perfect acoustics, it is the biggest opera house in Italy, and third-largest in Europe after the Opéra National de Paris and the K. K. Hof-Opernhaus in Vienna.

**Auditorium, Foyer, Royal Sitting Room/Royal Box, Pompeian Hall, Coat-of-Arms Room, Free Time**

During your guided visit, explore the stunning Auditorium and most interesting halls, including the Foyer, Royal Sitting Room with the Royal Box, Pompeian Hall (also known as the 'Echo Room' for its perfect acoustics) and the Coat-of-Arms Room. Marvel at the 'Symbolic Wheel' overlooking the Auditorium; it looks like a giant flower with eleven petals that, through a system of ropes, open up to let out the hot air and ventilate the room. Following your tour, some free time is made available to explore Palermo's city centre. Afterward, re-board your coach and head to the International Marionette Museum.

**International Marionette Museum, Guided Tour, Puppet Show, Refreshments**

This popular, traditional museum of Palermo was established in 1975 by Antonio Pasqualino, when he started its collection of puppets from Sicily and all over the world; after his death in 1995, the museum took his name. Located in the Kalsa Quarter in the former Hotel de France, this 957-square-yard (about 800-square-metre) museum features two floors of puppet displays. In 2017, the museum received the Icom Italia Award for *Museum of the Year*. Following your guided tour and a puppet show, enjoy some refreshments accompanied by local specialities. At the conclusion of your visit, re-board your coach and commence the approximately 1.5-hour drive back to the pier.

**Please note:** This tour involves a moderate amount of walking and standing for approximately 0.6 miles-0.74 miles (about one kilometres-1.2 kilometres), with a few steps to negotiate to get on/off the coach and 50 steps at the Opera House and Museum; a lift is available. **PMO-E / PALERMO MARKET & SANTA CATERINA CHURCH**

DIFFICULTY

Price: \$99; Duration: 4.00 hrs

Leave the pier by coach and start the panoramic sightseeing drive of Palermo.

**Palermo sightseeing, city centre walking tour, food market**

Comfortably admire from your coach the main monuments such as the Norman Palace, which began life in the Saracen period and altered by the Norman kings; the magnificent Cathedral, built in the 12th century by an Archbishop, transformed into a mosque after the Muslim era; the Felice Gate, the Corso Vittorio Emanuele, the Marina Square and the Garibaldi Gardens.

Leave the coach near Porta Carini and continue on foot to reach the "Al Capo" food market. The market is an animated, characteristic and folkloristic place: the colours, the screams ("vuci") of the vendors, the animation of the stalls, make it an essential element of Palermo city's character. Open every day, it gives the possibility to purchase any kind of grocery and several other merchandise.

**Santa Caterina Church, Monastery, tasting**

Afterwards, reboard your coach and drive to Santa Caterina Church. The Church stands next to a fourteenth-century monastery of Dominican nuns and was built between 1566 and 1596. ### RRO-A / ANCIENT POMPEII

DIFFICULTY

Price:\$119; Duration:5.00 hrs

The famous archaeological site of Pompeii is regarded as the world's finest example of an ancient Roman town, and offers visitors an insight into the life of a bygone era. Buried for centuries, it was not until 1748 that the Pompeii was rediscovered and its excavations began. Explore the ruins of this city on this half-day excursion.

After tendering ashore, board the local shuttle to the uptown meeting point where your coach will be waiting. A drive of approximately 45-60 minutes takes you to the excavated town of Pompeii. En route, you may be able to catch a glimpse of Mount Vesuvius.

#### Pompeii

Upon arrival in Pompeii, your guided walking tour begins through the ancient streets, providing a unique opportunity to learn about the historical events and the tragic end of the city's 20,000 people. The catastrophic eruption of Mount Vesuvius in 79 A.D. surprised the population of this prosperous provincial capital and resort town, burying it under 20 feet (6 metres) of ash and pumice stone, yet preserving an entire city.

#### City Tour

See the mansions and artwork of the wealthy residents who moved to Pompeii to escape the turmoil of Ancient Rome. On display are numerous paintings and inscriptions, including notices about wine sales, apartment vacancies, upcoming events, political announcements, and even personal love notes. In addition to several homes, highlights also include the Forum, open and covered theatres, and the Stabian Baths. The pathways are endless and the buildings fascinating. Some of the mansions still retain their original marble decorations, well-preserved frescoes and splendid mosaics. Following your visit to this amazing site, return to the coach parking area and re-board your coach for the drive back to Sorrento.

Upon arrival at the bus terminal, change to the local shuttle bus for the ride down to the harbour, or remain in the main centre for individual exploration and return to the ship on a later shuttle (time permitting).

**Please note: This tour takes place entirely on foot and requires an extensive amount of walking on cobblestones and uneven surfaces. This tour is not suitable for guests with limited mobility or those who utilise a wheelchair. Comfortable walking shoes are recommended. A minimum number of guests per guide are required to operate this programme.**

Your visit concludes with a stop at Villa Rufolo and the garden that inspired Richard Wagner to develop the magical garden of Kilingsor in the second act of Parsifal

#### Positano

Upon arrival in Positano, a short walk brings you to the city's main centre. Following a brief introductory tour, continue exploring on your own or browse the designer boutiques, souvenir shops and art galleries found along the main street and some narrow alleys.

Once a small fishing village, Positano is now the star attraction of the entire Amalfi coast. White Moorish-type houses cling dramatically to slopes around a small sheltered bay. The arena floor was frequently flooded to host naval combats. Some free time is made available during your visit for photo opportunities.

## Nice - France

NCE-A2 / NICE &amp; EZE (AIRPORT TRANSFER)

DIFFICULTY

Price:\$109; Duration:4.75 hrs

Discover the picturesque beauty and historic past of Nice during a tour of the Old City, and a visit to the medieval village of Eze.

### Nice

Depart the pier for the scenic drive along the Promenade des Anglais, a splendid, palm-lined boulevard stretching for three miles along the Baie des Anges. Pass by landmarks that include the legendary 'Negresco', an imposing hotel with a rococo façade, and the Russian Orthodox Cathedral. It was built with pink bricks, light grey marble and bright ceramics crowned by six onion-shaped domes that give the city an exotic touch.

Next, a visit is made to the Old City. Here, tall houses tightly-packed across narrow streets are often festooned with bright flowers or hanging laundry, and designed to provide shade and keep the streets cool during the long, hot summers. Upon arrival, take a leisurely stroll along the Cours Saleya, the elegant promenade of Old Nice, which is now lined with shops, restaurants and the famous flower market.

### **Eze**

Leaving Nice by way of the Middle Corniche, take in superb scenic views of Nice during the drive to the medieval village of Eze, perched on a rocky promontory overlooking the coast. Upon arrival, walk up to and through the 14th-century double gateway. A sentry walk leads into the steep and narrow streets, passageways and stairways. At times, the streets run beneath the carefully-restored houses that now serve as smart boutiques or artist's studios.

Following your visit, re-board your coach for the drive to the Nice airport.

**Please note: This tour involves an extensive amount of walking, at times on hills and cobblestone streets, and is not recommended for guests with limited mobility and guests who utilise a wheelchair. We recommend wearing comfortable clothing, walking shoes and bring sun protection. This tour is recommended only for guests with flights after 15:00.**
