NOS-E / Nosy Be Orientation

Difficulty

Price: \$159 - Duration: 3.50 hr(s)

Off the beaten track, the Nosy Be Archipelago is situated off the North-west coast of Madagascar. The name of Nosy Be means "big island" in Malagasy. The island was called Assada during the early colonial era of the 17th century. Hell-Ville is a somewhat decaying colonial town and the administrative centre of the island, as well as its main port.

Russian Monument

Stop at the Russian Monument, built in memory of a naval ship that sank off the coast of Nosy Be in 1904 with many Russian soldiers onboard who sadly lost their lives in the Indian Ocean. From the Russian Monument, you will see the upper section of the harbor displaying two old cannons dating back to the pirate era.

Lemuriland & Ylang Ylang Distillery

Also visit the village Lemuriland & Ylang Ylang distillery, a private park and green oasis where you will find lemurs in semi captivity, chameleons, crocodiles and tortoise. While exploring the park for approx. 45 minutes you will see plantations of Ylang Ylang, coffee, pepper, vanilla and more. Ylang-Ylang plantations (which account for half of the world's plantations) were established in the 1920's. They gave Nosy Be its nickname as the "perfume islands". Here you will have the opportunity to visit the Ylang-Ylang distillery.

Drive through the town view some of the restored colonial buildings, and then visit the local open market for 30 minutes to see locals selling their fruit, vegetables, meat and fish.

Return to the pier, thereafter.

Please note: This tour involves a moderate amount of walking (approx. 1-2km or 0.6-1.2 miles) over uneven surface and a few steps to negotiate. This tour is not suitable for guests with limited mobility or those who utilise a wheelchair. Lightweight comfortable clothing, and flat, closed-toe walking shoes are recommended. Tour may be reversed for logistical reasons on the day. Expect the weather to be hot and humid. Sighting of wildlife cannot be guaranteed. Souvenir shop accepts USD and EURO cash only. No credit cards accepted. Operation of this tour is subject to weather conditions. Tourism infrastructure is limited in Madagascar; local vehicles may not have air-conditioning nor PA system. We urge flexibility.

Praslin - Seychelles

SHORE EXCURSIONS

PRI-A / Vallée de Mai

Difficulty

Price: \$139 - Duration: 3.50 hr(s)

This tour offers guests the opportunity to experience the natural wonder of the Vallée de Mai, home to the fabled Coco de Mer, a World Heritage Site. As well, spend some time at Praslin's glorious beaches, notably Côte d'Or Beach.

Vallée De Mai

Following the tender ride ashore, board your coach for the 15-minute drive to the Praslin National Park, set in the central hills and covering an area of more than one square mile. During a guided walk into this magical forest, feel an atmosphere of great tranquillity surround you. Only the carefully laid out paths betray the fact that human hands have been at work here to make the homeland of the coco de mer accessible to the visitor and to provide an idea of the vegetation existing on the island prior to the arrival of Europeans.

Follow your guide on a nature trail and learn about a variety of interesting botanical species. At times, the palm fronds form such a thick roof that the sun is obliterated. Even walking just a short distance into this green palm thicket will enable you to marvel at the endemic coco de mer palms, some of which grow 60 to 90 feet (18-28 metres) high. For many years, the origin of the palms' uniquely shaped fruit, which washed ashore on African and Asian coasts, was shrouded in mystery. One of the legends suggested that giant underwater trees produced them, thereby giving the heavy (up to 40 pounds, 18 kg), double-cheeked nut its name. During the early 1900s, this rare object was such a highly prized collector's item that one illustrious owner even had it embellished in gold. Following your walk, there is time for a quick look at the gift shop before reboarding the coach.

Côte d'Or Beach

Next, a 20-minute drive brings you to the coastal area. At lovely Côte d'Or Beach, have about an hour to relax, swim and enjoy a cold drink, while taking in the shoreline beauty. Your tour concludes with the drive back to the pier.

Please note: This tour involves a moderate amount of walking at Vallée de Mai, partly on uneven ground and with some steep inclines. This tour is recommended for guests who are in good physical condition. This tour is not suitable for guests with limited mobility, and guests who utilise a wheelchair. Guests are advised to wear Lightweight, comfortable clothing, a swimsuit under a cover-up with beach or water shoes, and bring sun protection and a towel from the ship. The island's white-sand beaches rim its mountainous interior. The mountain was named for the Dauban family, which owned Silhouette until the 1960s. Silhouette's only settlement is the village of La Passe, on the island's western coast. The island has well-maintained trails, allowing visitors to explore beaches and some of the rainforest. Following your flight-seeing discovery of Silhouette Island, land at the helipad, de-board your helicopter and begin your guided walking tour.

Jardin Du Roi History, Walking Tour, Refreshments

In 1771, the famous Pierre Poivre, or 'Peter Pepper', decided that Seychelles' Mahe Island was situated at the perfect latitude for growing spices, an important commodity in those times. The site at the base of this hill was originally used for 10 years as a spice plantation, but was burnt to the ground in 1780 by Lieutenant Romainville, the commandant of the French military, who feared a British ship was approaching. The site lay dormant until a new plantation was created in 1860 by Mr William Green Sr., who extended the plantation into the virgin rainforest of this valley; descendants of the Green family still manage this operating plantation today. Upon arrival, take a guided walking tour of the Jardin Du Roi, followed by refreshments.

Next, re-board your coach and proceed to the nearby Anse Royale Beach, one of the finest beaches in the Seychelles. At the conclusion of your visit, re-board your coach and commence the approximately 30-minute drive back to the pier.
